

## 2022-2023 2-Year-Old Class Addendum

---

We are so excited to have a 2-year-old program. As we work through the first couple weeks of school, we might need to modify some of the following information to best suit the needs of the class.

If your child wears diapers, please take the time to make sure your child is freshly changed before the school day begins. We ask that they bring 4 diapers in their red school bag each day they are in school. The school will provide hypoallergenic wipes for the children. **Diaper rash cream is considered a medication.** Before it can be applied, you will need to fill out a medication authorization form and turn it into the office. The children will be changed on an as needed basis and checked regularly. All children will have at least one diaper change during the school day. Some children will be further along than others in their toileting/potty training skills and that is fine. There is no pressure. We ask that you let your child's teacher know when you begin the potty-training process at home so that we can follow up at school. Once a child does become potty trained, the child remains in the class for the remainder of the year.

Pick-up for the first month, through October, will begin by 12:15. Should the children appear exhausted or have a hard time adjusting to the new schedule, we may need to continue early pick-up longer. The children are still young and getting used to all the fun and stimulation school brings, so we would like the time to ease them into their new routine. Please plan on picking your child up at the playground, weather permitting by 12:15. There will be a parent sign-out for you to initial at pick up and then you are free to take your child home or play on the playground for a few additional minutes. Please help your child follow school playground rules after you have signed them out. (This might be a great time to meet some of the new classmates!) Once the last child has been signed out the teachers will be needed back inside the preschool.
